

getting a visa on arrival at the airport in Yogyakarta. However, please note that the lines could be very long, and you will need a few things: \$35 in crisp American currency, ensuring the bills are not creased, written on, or torn, your flight itinerary, passport with at least two unused pages, and six-month validity. An alternative to getting a visa on arrival is an online e-visa. For additional information and to apply for an e-visa, please visit <https://molina.imigrasi.go.id/>.

Our priority is ensuring your comfort and convenience during the Board Meeting and Study Trip. The United Board, in collaboration with the Hyatt, will arrange airport pickups and drop-offs. For pickups, once you clear immigration, please proceed to the outside hall of the airport and look for your driver, who will **hold a placard** that says, "United Board". Please note that the ride from the airport to the Hyatt Hotel may take an hour to 90 minutes, so we recommend using the restroom and getting a water/beverage at the airport.

We will carry some essential over-the-counter medications, such as Aspirin, Advil, Dayquil, Nyquil, Pepto Bismol, and Imodium AD, so you do not need to bring these items.

Your spouses/partners are invited to all scheduled dinners on June 10, 11, 13, and 14.
